

Event - Fast-tracking international industry decarbonisation: the role of the Climate Club

On September 26, 2024 at 16h30 EDT- 18h30 (New York time), the Climate Club and the OECD and IEA invite you to attend [Fast-tracking international industry decarbonisation: the role of the Climate Club](#), including the launch of the report Mapping financial and technical assistance for industry decarbonisation in emerging markets and developing economies: Taking stock of trends for hard to-abate sectors.

This Climate Club event is part of the New York Climate Week, and includes:

- **Part 1:** Fast-tracking industry decarbonisation: enhancing opportunities (new markets) and addressing risks (including carbon leakage) for green growth, with a high-level panel discussion:
 - **Jo Tyndall**, Director of the Environment Directorate at the OECD – Moderator
 - **Jennifer Morgan**, State Secretary and Special Envoy for International Climate Action at the Federal Foreign Office Germany – Keynote speaker
 - **Julio Cordano**, Ambassador and Director for Environment, Climate Change and Oceans, Ministry of Foreign Affairs – Chile
 - **Kerry McCarthy**, Minister for Climate at Department for Energy Security and Net Zero – United Kingdom
 - **Ben Beachy**, Special Assistant to the President, White House - United States of America
 - **Ketan Ahuja**, Fellow– Harvard Kennedy Center's Growth Lab
 - **Åsa Ekdahl** Head of Environment and Climate Change at WorldSteel

- Intervention by **Ambroise Fayolle**, Vice President of the European Investment Bank (EIB): "Bridging the gap between industrial decarbonisation policy and finance."

- **Part 2:** Launch of the Climate Club mapping report: Mapping financial and technical assistance for industry decarbonisation in emerging markets and developing economies, key findings, and recommendations:
 - **Jo Tyndall**, Director of the Environment Directorate at the OECD: presentation of key findings
 - **Tariye Gbadegesin**, Chief Executive Officer, CIF
 - **Femi Akinrebiyo**, Global Manager, Manufacturing Investment & Trade Supplier Finance, IFC
 - **Christiaan Gischler Blanco**, Lead Energy Specialist, IDB
 - **Rana Ghoneim**, Chief of Division, Energy and Climate Action, UNIDO

The report explores what has been provided and what is available in terms of financial and technical assistance for industry decarbonisation in emerging market and developing economies (EMDEs), from various sources such as public bilateral and multilateral, as well as related private finance mobilised, IFIs, philanthropic actors, and institutional investors.
